

# Erasmus+

## ERASMUS KA2 VET AGROPLUS

PERFECT PROJECT

### Project consortium:

Perfect Project Sp. z o.o., Bialystok, Poland

Vilniaus agroekologijos mokymo centras, Baltosios Voks, Lithuania

HumaCapiAct, Turin, Italy

AGROPLUS

### Project period 01/12/2020 – 30/11/2022

The main goal will be achieved when we achieve the following specific objectives:

- increasing the quality and efficiency of vocational education in the agri-food industry in response to current trends,
- developing new skills for practicing educators and equipping them with competences and knowledge necessary to provide high-quality educational services and in response to current trends,
- raising awareness of environmental problems and climate change issues.
